

## Be on the lookout for... Virtual Math Night.

Hello Jonathan Valley Families! I'm excited to share with you that our school will be hosting a Virtual Family Math Night Event. This is a fun event where you and your child(ren) will be participating in a variety of engaging math activities virtually from your home. You'll even have the opportunity to share photos and comments with your fellow classmates during this event. See the flyer for more details. (November: date will be announced later).

Some students have already signed up for this during the Fall Festival but we wanted to give everyone the opportunity in case you didn't get to attend. If you have signed up already, you do not need to do so again, however, if you would like to sign up then, please reply back. If you plan on attending the virtual event, please include the number of children and their grade level, along with their teacher's name. This will help me prepare the

materials you'll need for this event. We have a limited number of spaces so sign by October 22, 2021.

Student/s Name: \_\_\_\_\_

Teacher: \_\_\_\_\_

Grade: \_\_\_\_\_
