Holiday Assistance

Can you believe the weather is already getting cooler, the leaves are changing, and we are moving full speed ahead into the holiday season??!! We realize that while these are exciting times, they can also be stressful for financial reasons. Therefore we wanted to make sure you are aware of the agencies that will be offering Holiday assistance for our families in Haywood County and the dates for signing up for assistance. **Please be aware that no applications are to be turned into your child's School counselor or Social Worker this year. Also, due to the number of families needing assistance, families can only sign up with one agency for assistance. Due to the limited number of funds we cannot guarantee that you will receive Christmas assistance.** Siblings may be served by different agencies, depending on services available and age limits set by the agency. If the agency you apply with becomes full, your information will be forwarded to another agency. Please pay attention to the following dates and be aware that you may be asked to provide proof of income and expenses, social security numbers, and picture identification. You will be informed and your permission obtained if your child needs to be transported by the school via school bus. Finally, all Holiday assistance is made possible by the incredible generosity of the community; including Evergreen, Sheriff's department, local churches, local businesses, and local clubs/groups. If you would like to donate items or adopt a student for Christmas, please contact your school's counselor or social worker.

Asistencia Para Días Festivos

¿Puedes creer que el clima ya se está enfriando, las hojas están cambiando y nos estamos moviendo a toda velocidad hacia la temporada navideña? Sabemos que si bien estos son tiempos emocionantes, también pueden ser estresantes por razones financieras. Por lo tanto, queremos asegurarnos de que conozca las agencias que ofrecerán asistencia durante las fiestas para nuestras familias en el condado de Haywood y las fechas para inscribirse para recibir asistencia. Tenga en cuenta que este año no debe entregar ninguna solicitud al consejero escolar o al trabajador social de su hijo. Además, debido a la cantidad de familias que necesitan asistencia, las familias solo pueden inscribirse **en una** agencia para recibir asistencia. Debido a la cantidad limitada de fondos, no podemos garantizar que recibirá asistencia navideña. Los hermanos pueden recibir servicios de diferentes agencias, según los servicios disponibles y los límites de edad establecidos por la agencia. Si la agencia con la que presenta la solicitud se llena, su información se enviará a otra agencia. Preste atención a las siguientes fechas y tenga en cuenta que es posible que se le pida que proporcione comprobantes de ingresos y gastos, números de seguro social e identificación con fotografía. Se le informará y se obtendrá su permiso si su hijo necesita ser transportado por la escuela en autobús escolar. Por último, toda la asistencia de vacaciones es posible gracias a la increíble generosidad de la comunidad; incluidos Evergreen, el departamento del alguacil, las iglesias locales, las empresas locales y los clubes / grupos locales. Si desea donar artículos o adoptar un estudiante para Navidad, comuníquese con el consejero o trabajador social de su escuela.
