

Parents,

Our annual fall festival is scheduled for October 6th from 5:30-8 this year! The PTA is very excited to be able to have this event for our students and their families. The festival is our biggest school fundraiser, and it brings in the most funds to help our students throughout the school year. We are reaching out to our parents for donations again for our silent auction as we know that a lot of our parents are small business owners/ rental property owners and may be able to help us with donations of different sorts. ALL donations are tax deductible, and we can provide our tax ID number for any donations. We are also asking for packs of individually wrapped candy , store bought cakes and two-liter drink donations as well for the fall festival. We will start collecting these items on September 30th – October 6th and they can be dropped off in the main lobby or sent to the school with your student. Our festival is only successful with the help of our parents and community. If you have any questions, please email us at jvespto@gamil.com.

Thank you!

Parents,

The PTA will be pre selling wristbands this year for our fall festival on September 30th – October 6th . The cost per band will be \$25 and will be sent home the day of the festival with your child and you will be issued a receipt. With the wrist band your child will gain unlimited access to inflatables/games and get a choice of popcorn or cotton candy and a choice of temp tattoo or balloon animal at the festival. Please fill out the form below and if you have any questions feel free to email us at jvespto@gamil.com.

Spirit rock may be painted for special occasions/birthdays/holidays/in memory or honor of someone/congratulating someone/ team spirit.

Spirit Rock is \$20 dollars per side and you must paint the side you reserve if you do not reserve both sides (side 1 faces building and side 2 faces car line). Spirit Rock will remain painted for a 2-day minimum keeping in mind the rock may remain painted longer than 2 days depending on the next booking date. Once the date is approved by the PTA you can paint the rock the evening of the requested day once payment is received.

Parents are to provide paint and MUST BE ACRYLIC PAINT. Spray paint is a great option for a base coat and takes 2-3 cans for a good base coat or use one that includes primer. Paint may ONLY be used on the rock itself and NOT on the grass or surrounding property. You may use acrylic paint, chalk or pencil to sketch out designs. The rock MUST be painted under the supervision of the adult who made the reservation.

No offensive language, logos, symbols or sayings may be painted on the rock. Failure to comply with these rules will result in loss of privilege to paint the rock in the future. JVE reserves the right to paint over anything deemed inappropriate.

Once date is approved and you hear from a member of the PTA you can paint the rock on the evening of the date you requested above. Money is due the day of the scheduled painting and you may pay at the front desk and will be issued a receipt. There will be a fee for returned checks based on the terms of the United Community Bank.

We want all our students to be able to participate in painting our spirit rock, if there is an issue with the spirit rock fee, getting paint, or have any additional question please contact the PTA by email at jvespto@gmail.com.
